

EAST COAST

16 DAYS: JULY 3 - JULY 18, 2010

Our tour to New Brunswick, Prince Edward Island and Nova Scotia is planned to include many popular points of interest. A few tour highlights are Anne of Green Gables and a lobster dinner in Charlottetown, and three full days in Halifax. We take the shortest route 'down east' and travel through the U.S. so please plan to have your passports up to date.

Aside from the natural beauty of the places you will visit, we expect you will be charmed by the warm hospitality and friendly encounters along the way. There really is something special about the people and places down east.
